See Resort Amenities and Association Amenities items above.

Unlimited Ownership

Owners own their lake home completely, free and clear, including fee title to the land. An owner may live on the property as much or as little as they wish. Property owners are members of a common association, which cares for the common grounds and handles the management of the property.

Rental Program

Rental of the home is permitted. All rentals are managed by the resort management company, which handles all bookings. It is preferred, but not required, that the owner enrolls in the Rental Program. If in the Rental Program, the owner will maintain the format and layout of the home, but may customize to their liking, with approval. When in the Rental Program, certain interior utilities will be paid and provided by the resort management company to maintain consistency in the resort rental accommodations, like TV, Phone, and Internet Service providers. So that bookings can be planned, the Rental Program is a two year term.

We facilitate all critical management functions relating to the owner's investment lake home. When the owner is absent, we rent the home as a resort property and split the revenue 50/50 with the owner, after housekeeping and changeover expenses are paid.

Making it easy to make memories with Family & Friends in the Outdoors.

Rental Program Available

Rental of the home is permitted, but all rentals are managed by the Trapper's Landing resort management company, which handles all bookings (VRBO and other owner-direct rentals are not allowed). It is preferred, but not required, that the owner enrolls in the rental program. If enrolled in the Rental Program, the owner will maintain the format and layout of the home, but may customize it to their liking, with approval. When enrolled, certain interior utilities will be paid and provided through the resort management company to maintain consistency in the resort rental accommodations, like TV, Phone, and Internet Service providers.

So that bookings and marketing can be planned, the Rental Program is a two-year term. When the owner is absent, we rent the home as a resort property and split the revenue 50/50 with the owner, after housekeeping and changeover expenses are paid (see details below). If enrolled, the owner books their time on the resort calendar on a rolling calendar that allows the owner to book before any potential guest rentals. The Owner books out 13 months in advance or more, while rental guests can only book 12 months in advance.

**Potential earnings after expenses and the split with Trapper's Landing Lodge,
puts \$8,000 - \$30,000 in your pocket!**

Changeover Expenses

Changeover expenses include linens changes and laundry (\$22.50), plus Credit card and booking fees vary from 2-5% based on how the rental guest books and pays.

Housekeeping Cleaning Fee Schedule

3BR Lake Home or Hudson Bay (3BR or 2BR) - \$150.
1 Bedroom Lower or 2 Bedroom Suite - \$85.
Lake Home Suite - \$45.
Lake Home Guest Room - \$40.
